

# SUPPORTERS OF ONE DAY ONE TREE PROJECT 2018-19

In respond to the Global Warming and Climate Change, The Partners Nepal has been replicating the successful conservation initiative "ONE DAY ONE TREE" program in 2019 in Khunde village of 3,800m working closely with local community and Tashidelek Buffer Zone Users Group of Khumbu Pasang Lhamu Rural Municipality-4, Solukhumbu, Nepal.

The Partners Nepal would like to extend our heartfelt gratitude to the following friends, organizations, donor agencies for their generous support to TPN's ONE DAY ONE TREE project.

## HOW YOU CAN HELP?

This project was made possible with financial support from Hauser Exkursionen and Sir Edmund Hillary Foundation, Germany, NepalHilfe-Tirol, Austria, The Partners Nepal, Sagarmatha National Park, Khumbila Buffer Zone Users Committee, various institutions and individual friends of conservation interests.

As part of your trekking or climbing experience in the Khumbu, please consider making small donations that help us protect and restore the fragile alpine ecosystems. Your small contribution will make a big difference in protecting the Khumbu Alpine Ecosystems. It also provides great opportunity to plant memory of your loved ones and yourself at the very foot of Mt. Everest!

If you are interested in this ONE DAY ONE TREE project, please consider sending it through:
