HOW YOU CAN HELP?

This project was made possible with financial support from Hauser Exkursionen and Sir Edmund Hillary Foundation, Germany, NepalHilfe-Tirol, Austria, The Partners Nepal, various institutions and individual friends of conservation interests.

As part of your trekking or climbing experience in the Khumbu, please consider making small donations that help us protect and restore the fragile alpine ecosystems. Your small contribution will make a big difference in protecting the Khumbu Alpine Ecosystems. It also provides great opportunity to plant memory of your loved ones and yourself at the very foot of Mt. Everest! If you are interested in this ONE DAY ONE TREE project, please consider sending it through:
